These measurements are specific to Key bib overalls

If your measurements fall between two sizes, choose the next size up
When measuring the waist, measure across the widest part.

When choosing an inseam size, order the size that matches your usual pant inseam.

How to Measure

Suggestion: When taking your measurements, it is recommended that you measure over the underclothes that you would typically wear using a flexible measuring tape.

Waist

Bend back and forth to locate the natural curves of your waist and measure across the widest part.

Inseam

The first option is to measure along the inside of your leg. Another option is to measure along the inseam of pants you already own.
